

Portege Z30 PT241A-013001

Price \$1,705.00 RRP AUD (inc. GST)

Overview

Engineered for high flyers, this thin, light and sophisticated 13.3" High Definition Ultrabook™ (selected models) is stunningly fast, keeping you seriously productive on the go.

Latest 4th Generation Intel® Core™ i5/i7 Dual Core processors (Haswell) deliver blazing-fast maximised performance, a stunning 200% improvement in graphics, built-in security, and all-day computing with amazing battery life. (Haswell available 2014.)

Add to this integrated graphics, a range of ultra-fast and responsive SSD options (128/512/256GB) and memory up to 16GB DDR3 (expandable), the Z30-A is the ultimate high flying performance Ultrabook™ for serious high flyers!

To ensure a maximum return on your investment, the Z30-A's durable magnesium alloy casing has been put through Toshiba's aeronautical-grade HALT testing to minimise the risk of data loss, downtime and repairs and ensure maximum reliability and productivity.

Fully optimised for effortless fleet deployment, including common BIOS, Firmware and Imagery, the Z30-A also has a suite of no compromise EasyGuard® security, connectivity and manageability features.

The 4-cell high capacity Li-ion battery powers busy executives for up to ten hours on the move while Intel® Rapid Start™ Technology provides a high speed start, fast power-down, and quick resume to extend battery life.

Enabling professionals to work and connect on the move, the Z30-A boasts innovative features including an ultra-slim backlit and spill-resistant keyboard with ClickPad™ and larger AccuPoint™.

Brilliant on-board connectivity includes: 2MP HD Webcam with mic, three lightning-fast USB 3.0 ports, HDMI®, SD card slot, RGB, LAN, ultra-fast AC Wi-Fi™ and Bluetooth™.

Pre-loaded with Windows® 7 Professional, it also comes with Windows® 8.1 Pro in the box so you can choose which tools you need to equip your business.

Available in cosmopolitan silver.

Toshiba recommends Windows 8.
